General and Revenue Departments.

SIR,

I have the honor to enclose a copy of letter No: 849/620 dated 25 August 98 from the Deputy Commissioner Kolar District requesting that article 537 of the Mysore Service Regulations may be considered as inoperative in the case Treasury officials who have to accompany Remittances to the State Huzoor Treasury and other District Treasuries and to state that the rule acts with hardship on these officials as they have to wait for a long time before they receive the Travelling allowance to which they are entitled, the bills having to be sent as per Proceedings No: 2322-30/Pta 226 dated 12th August 95 for the Countersignature of the officer in charge of the Treasuries to which remittances are made and then to Government for sanction.

I therefore beg to recommend that

that Treasury officials accompanying remittances may be exempted from the operation of the article of the Mysore Service Regulations in question and this office be authorised to pass their Travelling allowance bills on the Countersignature of the officer in charge of the Treasury to which remittances are made.

Enclosure No.

Sir,

I have the honor to state that Article 537 of the Mysore Service Regulations, lays down that the sanction of Government should first be obtained in respect of Travelling Allowance bills of officials who travel beyond the Jurisdiction of their official Superior. Accordingly bills of officials of this District who accompany

Accompany remittances to the State Huzoor Treasury at Bangalore, are being submitted for sanction to Government in every case. Most of the Talooks of this District remit money to the State Huzoor Treasury more than 4 times a year. In such Cases generally, the shroff and other menials accompany the remittances. Submission of these bills to Government for sanction in pursuance of the above Article Causes not only frequent references but also delay.

2. I Consider, therefore, that it is desirable that the officials accompanying remittances beyond the District should be exempted from the operation of Article 537, And, if you concur with my view, I beg you will be so good as to move the Government to make such cases an exception to the Rule.

I have the honor to be,
Sir,
Your most obedient Servant,

Head:—

Letter No. 1873 of
14th September 1898, from the Comptroller to the Govt of Imperial

Subject.

At the instance of the Debt Commissioner Kolar district the Comptroller to the Govt of Imperial brings to notice that article 537 of the Imperial Service Regulations under which the sanction of Govt is required in respect of travelling allowance bills of officials who travel beyond the jurisdiction of their Head Quarters acts as a handicap on the Treasury officials accompanying remittances to the State Bazar Treasury and other district Treasuries as they have to wait for a long time before they receive the travelling allowances

to which they are entitled - Government are therefore pleased to exempt the said class of officials from the operation of the said article in question and to authorize the Comptroller to pass their travelling allowance bills on the countersignature of the Officer in charge of the Treasury to which remittances are made.

2. The Comptroller will accordingly impose an addition to the Insane Service Regulations in the case of an exception to article 537 & submit the same for approval of Govt.
